ACSI

ADVANCING • ACCESS • ADVOCACY

STRONGER TOGETHER

Advancing

Leading Christ-centered education toward excellence and flourishing

ACSI's assessment program provides a service that helps schools use testing data to improve instruction thereby advancing Christian education through school improvement.

2

Flourishing Schools Culture Model

► Data-Driven Improvement

- Data is used to gauge school results and effectiveness, determine goal attainment, and address problems the school faces.

3

Program Benefits

Discounted pricing

Christian school comparison scores

Consultation services

Prescheduled and custom faculty training

Participant networking through the ACSI Community

Access to test publisher and ACSI team members with the strength of a collective voice

For details, email
assessmentsupport@acsi.org.

15

- PreK-Grade 2
- Build students' foundational skills for lifelong learning
- Enable educators to close skill gaps and improve learning outcomes
- Flexible test creation to meet school needs—no matter what curriculum you use (Benchmarks included!)
- Simple implementation means more usage and better data
- 3 Ways ESGI helps schools achieve their foundational skills goals
 - Science of Reading Success
 - Informative Early Learner Report Cards
 - Teacher Satisfaction and Retention

16

College & Career Readiness Assessments

During enrollment for PreACT, select Private School, and check the box that you are a member of ACSI.

- Assess as soon as grade 8 to set an early baseline for students
- Provide early ACT test practice
- Receive predicted PreACT and ACT scores with one test
- Paper/pencil administration
- Online only administration
- Can be used for high-stakes or accountability

For details, email assessmentsupport@acsi.org.

17

During enrollment for ACT District Testing, select Private School, and check the box that you are a member of ACSI.

- Administer the ACT in a familiar environment
- Raise college awareness
- Collect school summative scores and longitudinal student data
- Paper/pencil and online administration

For details, email assessmentsupport@acsi.org.

18

ACT[®] Online Prep

- Help students prepare with ACT[®] Online Prep—an engaging, interactive test prep program developed by the makers of the ACT.
- Includes 2 full length practice tests as well as thousands of additional practice questions.
- Students get flexible customized learning plans.
- Educators can track student progress at individual and aggregate levels.

For details, email assessmentsupport@acsi.org.

19

ACT[®] Instructional Mastery

During enrollment, type “ACSI” as your organization on the form.

- Improve College and Career Readiness with Schoolwide Professional Learning
- Provide your educators with professional learning in a holistic understanding of the ACT[®] test.
- Educators will learn teaching strategies that advance students’ abilities to successfully master the core skills needed for college success.
- This credentialing program certifies individuals to help students prepare for the ACT test.
- Virtual AIM courses available through ACSI in August for Reading and Math at a reduced price

For details, email assessmentsupport@acsi.org.

Questions to ponder when deciding on an assessment program for your school

- What is your purpose for assessment?
- What assessment format do you prefer?
- What grade levels do you assess?
- What subjects do you want to assess?
- What standards/objectives do you want to assess?
- What type of data do you need?

22
